#### FRIDAY October 18

7:15-8:00	<b>Breakfast / Poster Viewing</b> Governor General Room I/II	
Early Morning Session 8:00-10:00	Session 1 <b>Innovations in NMD/Transformative Technologies</b> Confederation Room II/III	
Break 10:00-10:30	<b>Coffee Break</b> Governor General Room I/II	
Late Morning Session 10:30-12:00	Session 2 <b>New Developments in Spinal Muscular Atrophy</b> Confederation Room II/III	
Lunch Break 12:00-1:30	<b>Poster Viewing</b> Governor General Room I/II	
Early Afternoon Session 1:30-3:00	Session 3A <b>Clinical – Advances in Clinical Myopathies</b> Governor General Room III	Session 3B <b>Advances in Muscle Stem Cells and Development</b> Confederation Room II/III
Break 3:00-4:00	<b>Poster Session (Odd Numbers) - Coffee/Snacks</b> Governor General Room I/II	
Late Afternoon Session 4:00-5:30	Session 4A <b>Clinical – Neuromuscular Clinical Care</b> Governor General Room III	Session 4B <b>Basic – Muscle Disease Pathogenesis and Treatment</b> Confederation Room II/III
Evening	<b>GALA Dinner Event</b>	

#### SATURDAY October 19

7:15-8:00	<b>Breakfast / Poster Viewing</b> Governor General Room I/II	
Early Morning Session 8:00-9:30	Session 5 <b>Challenges and Opportunities in Amyotrophic Lateral Sclerosis</b> Confederation Room II/III	
Break 9:30-10:00	<b>Coffee Break</b> Governor General Room I/II	
Late Morning Session 10:00-11:30	Session 6 <b>Phenotypic and Molecular Insights into Myopathies</b> Confederation Room II/III	
Lunch Break 11:30-1:00	<b>Poster Viewing</b> Governor General Room I/II	
Early Afternoon Session 1:00-2:30	Session 7A <b>Transformative Technologies in the Clinical World</b> Governor General Room III	Session 7B <b>Mitochondrial Disorders</b> Confederation Room II/III
Break 2:30-3:30	<b>Poster Session (Even Numbers) - Coffee/Snacks</b> Governor General Room I/II	
Late Afternoon Session 3:30-5:00	Session 8 <b>Future Directions in Neuromuscular Disease Research</b> Confederation Room II/III	
Evening	<b>5:00pm - Closing Remarks</b> Confederation Room II/III
